Agency: Government of South Australia – Office of Small and Family Business

Closing: 31 July 2026

Eligibility: Following business types affected by Algal Bloom:

- marine or coastal tourism operator* (excluding general accommodation, hospitality and food services);
- charter boat and fishing charter operator;
- marine-based sport and/or school (e.g. surf school);
- marine and fishing supply chain manufacturer or retailer (e.g. tackle shops, marine equipment suppliers); or
- marine or coastal caravan parks, camping grounds and other accommodation providers (excluding short-term private/holiday rental providers e.g. private properties rented through real estate agents or booking sites such as Airbnb or Stayz)*; or
- beachfront kiosk/cafés*.

(Must be listed on the Australian Tourism Data Warehouse as at the date of application. A business or not-for-profit with an ATDW listing created after lodging an application will not be eligible.*

Grants are available to support Small Businesses and Not-for-Profit Organisations that can demonstrate, as a direct result of the Algal Bloom event, a decline in business turnover of thirty percent or more in any consecutive three month period from 1 April 2025 to 28 February 2026 (the 'impact period'), compared to the corresponding three month period in the year prior (the 'comparative period')

Eligible small businesses can apply for an initial payment of \$10,000 if they have experienced a 30 per cent or greater decline in business turnover over a three-month period between 1 April 2025 and 30 June 2026.

A second and third \$20,000 payment may also be available if you can demonstrate a decline in turnover over additional separate three-month periods.

In total, eligible businesses may receive up to \$50,000 in assistance

Please note that RDA Yorke and Mid North can assist individual businesses with filling in the application if needed.

Global Sisters – My Big Idea Scholarship - **NEW**

Agency: Global Sisters

Closing: November 2026

Eligibility: Women run business

10 Big Idea Scholarships — one awarded each month from February to November.

These Scholarships are designed for women who have a BIG IDEA and need seed funding to develop, test, or validate it.

Each Big Idea Scholarship includes:

- An untied \$10,000 grant to use in any way that helps bring your idea to life
- A financial strategy session with a Financial Pathways team to help you make the most of your seed funding
- Tailored, hands-on support to help you move toward growth, investment, or finance readiness
- Connections to partners, networks, and opportunities across the Global Sisters ecosystem

At the end of 2026, all Scholars will have the opportunity to showcase their BIG IDEAS to the funders and corporate partners — opening doors to further support, investment, and visibility.

Algal Bloom Fisheries and Aquaculture Assistance Grant

See also Algal Bloom Small Business Support Grant in Economic section of this Bulletin

Agency: Government of South Australia – Office of Small and Family Business

Closing: 31 July 2026

Eligibility: Commercial fisheries and aquaculture enterprises

The Algal Bloom Fisheries and Aquaculture Assistance Grant offers payments of up to \$100,000 to support commercial fisheries and aquaculture licence holders significantly impacted by the algal bloom.

This funding may be used to meet fixed costs and overheads - including utilities, rent, finance and interest payments.

Additional grants are now available

From 15 October 2025, if your business previously received this grant under the initial \$28 million support package, you can now apply for a second grant of up to \$100,000 if you can demonstrate a further three months decline in turnover or catch.

Eligible businesses can also receive up to \$25,000 in additional funding to support employee wages, meaning the hardest hit businesses may now be entitled to up to \$225,000 in total grants.

There are three ways you can demonstrate business impact for the purposes of this grant:

- having fishing licence fees waived by the Department of Primary Industries and Regions; or
- a 30 per cent or more decline in catch or harvest; or
- being subject to government harvesting area restrictions or closures (due to elevated levels of brevetoxin).
